Re: FIFA World Cup Trophy visit to the BVI

The world governing body of football, FIFA and the BVI Football Association are proud to announce that the FIFA World Cup Trophy will be in the British Virgin Islands on October 10, 2013 and will be on display at a location to be announced.

Schools are urged to allow students to visit and view and have their picture taken with the trophy.

Space is limited and therefore a selected number of students will attend this function.

The Football Association along with the other sponsors Road Town Wholesale and Coco-Cola is proud to be associated with this once in a life time experience, and hope that the students will be able to attend to be a part of this historic occasion.

Due to the value of the trophy and the risks of theft and other similar threats, the announcement could not be made until now. We hope you will understand the situation and support the event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alfred Reid", is written over the word "Sincerely,".

Alfred Reid  
Act General Secretary
